

# TOP 5 AI TOOLS

SUMMER 2023

## FRAMER ([FRAMER.COM](https://FRAMER.COM))

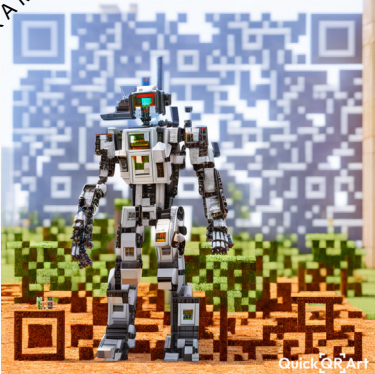

Create a website in seconds using AI and natural language. No coding necessary.

Start your dream site with AI. Zero code, maximum speed.

SCAN TO BOOK A MEETING WITH JOE B.

## QUICKQR ([QUICKQR.ART](https://QUICKQR.ART))

A QR code AI generator that creates scannable QR Art for your social posts, blog posts, printed materials or website.

## DUMME ([DUMME.COM](https://DUMME.COM))

Never edit short videos again. Use AI to turn your videos into shorts, fast.

## DECKTOPUS ([DECKTOPUS.COM](https://DECKTOPUS.COM))

The world's #1 AI-Powered presentation generator. Just type in a few words, click a couple buttons and - boom! - your presentation is ready for review.

## MIDJOURNEY ([MIDJOURNEY.COM](https://MIDJOURNEY.COM))

The best AI image generator there is. Our great example prompt; a giraffe swimming underwater. If you can think it, MidJourney can create it.

**Scan this QR code to get on our calendar for a free guided setup of any of these tools to see how you can integrate AI into your law firm.**
